

DATA SHEET

Article name: PC105

Material: polycarbonate Makrolon 2856

Colour: transparent

Dimension: 10,82 X 5,31 inch – h 0,55 inch / 275 X 135 mm – h 14 mm

Weight: 0,6 lb / 273 gr

Indents number: 21

Indent dimension: 1,02 X 1,02 inch – h 0,55 inch / 26 X 26 mm – h 14 mm

Indent capacity : 0,28 fl.oz. - pralina weight +/- 0,02 lb / 8 ml - pralina weight +/- 10 gr

Min. temperature: - 40° F

Max. temperature: + 248° F

Food contact: yes

Use: moulds for pralines

Recommendation:

- Do not bring the product near to a heat source or on flames directly
- Do not use any abrasive product while cleaning because they can turn sparkling parts into dull ones
- It is recommended hand-wash or use a dishwasher without any aggressive or de-greasing detergent
- Do not dry polycarbonate moulds into a microwave oven
