

**Taastrup, 18<sup>th</sup> October 2022**

## **Freezability statement**

We hereby confirm that PP UniPak 195 x 195 mm 1500 ml, article no 554118002, PP UniPak 195 x 195 mm 3100 ml, article no 554418002, PP UniPak 195 x 195 mm 5000 ml, article no 554818002 and UniPak Standard Lid 195 x 195 mm, article no 254018002 are suitable for long term storage at ambient temperature or below. According to legislation (10/2011/EC) long term storage means any storage above 30 days and temperature below ambient includes also below 0°C.

However Berry Superfos packaging must be tested by the customer with the actual product before approval for use at low temperatures.

The present certificate is valid for a period of one year starting from the date first above written.

If you have any questions you are welcome to contact us.

Best regards,

Berry Superfos company
